

# Peter Erickson

## Relevant Experience / Employment:

### Intern - Intellitect:

#### 2022 - Present

- Leveraging strong communication and problem-solving skills to build relationships with clients
- Utilizing organizational and time-management abilities to manage critical time-sensitive tasks
- Demonstrating proactive approach to learning new technologies when coding an internal meeting room signage application

### Salt staff - Lutherhaven CDA:

#### Summer 2023

- Supported a group of 150+ campers through daily activities, fostering a positive and inclusive environment conducive to personal growth and group cohesion.
- Assisted in the planning and execution of engaging programs and activities, ensuring camper safety and actively addressing individual needs and concerns.
- Served as a positive role model and point of contact for campers, providing guidance and support while effectively communicating with lead counselors regarding camper well-being and any emerging issues.

## Leadership:

### ASB Treasurer – Spokane Valley Tech:

#### School year 2023

- Managed and oversaw the ASB budget exceeding \$30000, ensuring responsible allocation of funds for student activities and events, demonstrating strong financial accountability.
- Led the development and implementation of budget proposals for student-led initiatives, collaborating with student leaders and advisors to prioritize spending and maximize impact on the student body.
- Maintained meticulous financial records, prepared regular reports for the ASB and school administration, and ensured transparency in financial operations, showcasing organizational skills and attention to detail.

## Awards:

### Best trade show project of the year - 2023:

- Solely conceived, designed, and built an innovative project for a trade show, resulting in the "Best Project of the Year" award.
- Independently managed all aspects of the project lifecycle, from initial conceptualization and data sourcing to construction and final presentation.
- Successfully presented the award-winning innovation project at the trade show, demonstrating strong communication and technical understanding to attendees

### Pace Citizenship – 2022

## Education:

### Eastern Washington University: 2024 – Present

#### Bachelor's Degree Computer Science

### Spokane Valley Tech: 2020 – 2024
